## *An opportunity awaits ...*

Each year the auction at our Center for Human Services Community Connections Dinner Gala grows more successful, and we're looking to continue the trend this year. This event brings together generous members of our community to help us achieve our mission:

***“to strengthen the community through counseling, education, and support to children, youth, adults, and families.”***

To accomplish this mission, CHS has three primary programs:

**Family Support** centers provide a place where children get ready for school, parents/caregivers increase skills, students become leaders, new residents connect to resources and everyone teaches and learns.

**Mental Health** services use a family-centered approach to individual and family counseling, youth anger management groups, and intervention programs.

**Substance Abuse** programs at CHS provide drug and alcohol treatment, intervention, and prevention services for youth, adults, and family members.

Sponsorships are critically important to the success of the auction and these programs. This year we are excited to offer four levels of sponsorship with a variety of benefits available to you for each of the levels. Please see the attached sheet to decide which level of sponsorship will work best for your organization.

**Thank you!**
