Job Description **MENTAL HEALTH THERAPIST**

GENERAL DESCRIPTION

Works with a dynamic team of therapists to provide quality mental health therapy to children, youth, and families in the clinic setting. Reports to the assigned supervisor.

MAJOR RESPONSIBILITIES – Specific for this position

- Maintain a client caseload and appropriate clinical records
- Provide assessments/intakes, individual counseling, group counseling, case management, and related services to clients in the Mental Health Programs
- Sustain billable hours as determined by supervisor
- Regularly screen clients for substance abuse and health care issues and refer to appropriate services

- Participate in program development and evaluation of the Mental Health program
- Actively promote CHS programs to families and individuals; develop and maintain relationships with community contacts, referral sources, and other professionals and agencies
- Maintain accurate and thorough clinical records as per agency, county and state requirements
- Provide input and report to leadership regarding the clinical needs of clients and improved ways of offering services and supervision.
- Collect payment from clients for services as needed
- Conduct collaborative documentation with clients during therapy sessions
- Participate in individual supervision, staff meeting, staffings, and all-staff meetings as scheduled
- Maintain a professional and courteous attitude to all clients, partners and community members

MAJOR RESPONSIBILITIES – Agency in general

- Provide all services utilizing a strengths-based, family-focused, client-centered, trauma-informed, culturally competent approach that is integrated with other services
- Participate in creating and maintaining a workplace that values diversity and treats everyone with dignity and respect without regard to race, color, age, religion, creed, gender, gender identity, gender expression, sexual orientation, national origin, marital status, the presence of any sensory, mental, or physical disability
- Utilize teamwork and open communication
- Have prompt and consistent attendance during scheduled working hours
- Provide services in a manner that expedites the meeting of contract requirements and program outcomes
- Maintain documentation in a timely, thorough and accurate manner
- Follow agency policies and procedures, RCWs, WACs, CARF standards, and other external regulations
- Follow CHS's Code of Ethics
- Perform all other tasks as assigned by the supervisor, manager, or a director that furthers the success of programs and/or the agency

MINIMUM REQUIREMENTS

- Master's degree in Human Services/ Behavioral Sciences
- Current Agency Affiliated, Associate, or Fully Licensed MSW, MFT or MHC professional in Washington State
- One or more years clinical experience working with children and families
- Valid Washington State Driver's License and reliable transportation
- Experience navigating different systems (schools/families)
- Knowledge of community social services resources and how to access the resources
- Training and experience in crisis management
- Experience with diverse client groups and treatment methodologies
- Experience working with trauma issues
- Excellent organizational/administrative skills
- Possess or obtain National Provider Identifier (NPI) for healthcare services performed
- Commitment to confronting racism, sexism, heterosexism, and other discriminatory practices
- Experience and demonstrated ability to successfully work within a diverse cultural setting and provide culturally competent services
- Ability to work cooperatively as part of a team
- Ability to work in an unstructured and unpredictable setting; ability to adapt to change
- Sense of humor

CHS is an Equal Opportunity Employer

The mission of the Center for Human Services is to strengthen the community through counseling, education and support to children, youth, adults and families.

Our Values: Embrace diversity, provide accessibility, champion collaboration, demand accountability, personify integrity, and have fun.
