Center for Human Services

*Building a stronger community...one family at a time.*

## An opportunity awaits ...

Each year the auction at our Center for Human Services Community Connections Gala grows more successful, and we're looking to continue the trend this year. This event brings together generous members of our community to help us achieve our mission:

*“to strengthen the community through counseling, education, and support to children, youth, adults, and families.”*

To accomplish this mission, CHS offers:

**Family Support Programs** Providing a place where children get ready for school, parents/caregivers increase skills and find support, students become leaders, and families connect to resources.

**Behavioral Health Programs** Providing individual, family, and group therapy through office-based, school-based, medical clinic-based, and home-based services, as well as substance use disorders treatment.

Thank you to our **2022 Platinum and Gold Sponsors** and all of our sponsors and guests that make the event a success!

**WeMxtr**
