

# Community Connections Gala & Auction

Saturday, May 4, 2024

## An opportunity awaits...

Each year the auction at our Center for Human Services Community Connections Gala grows more successful, and we're looking to continue the trend this year. This event brings together generous members of our community to help us achieve our mission:

**“to strengthen the community  
through counseling, education, and  
support to children, youth, adults, and  
families.”**

To accomplish this mission, CHS offers:

**Family Support Programs** Providing a place where children get ready for school, parents/caregivers increase skills and find support, students become leaders, and families connect to resources.

**Behavioral Health Programs** Providing individual, family, and group therapy through office-based, school-based, medical clinic-based, and home-based services, as well as substance use disorders treatment.
